

Our Mission

The WARM Place mission is to provide grief support for children ages 3 ½-18 as well as young adults 19-25 who have experienced the death of a loved one.

Dear Friends,

Welcome to our signature event, A Cool Night at the Cantina! I'm so honored you have joined us for an evening full of fun with friends, delicious food, and lively bonding in support of The WARM Place mission.

When children come to The WARM Place, they are often fractured from the loss of someone very important in their life. They may be experiencing feelings of confusion, loneliness, anger, and extreme sadness. Their healing depends upon their ability to share their memories and tell their stories in a safe environment. Their lives have been forever changed, emotionally and very often financially as well.

Since our inception in 1989, we have never charged families for our services. Our annual fundraiser, A Cool Night, makes up nearly 25% of our annual operating effort to ensure that no child will grieve alone.

WARMly,
